RE: Logan Addison

To Whom It May Concern:

It is my pleasure to offer this letter of recommendation for Logan Addison. Logan is currently pursuing her dual certification in the Education Department in preK-4 Early Childhood Education and preK-8 Special Education with a 3.89/4.0 GPA.

Aside from being an excellent academic student, Logan worked for the United Way's Success by Six program. Logan is the team captain for both the Thiel College Cross Country and Track and Field teams. She is also a member of the Dietrich Honors Program. A review of her resume will show that Logan clearly exceeds expectations.

Logan has had multiple field experiences across various grades and subjects. Logan will create standards based engaging lesson plans integrating technology and employing research based instructional strategies to increase student achievement. Logan's personality with her students in her field experiences is outstanding showing remarkable maturity. Logan is the kind of person who is truly a joy to be around.

As a former principal and assistant superintendent, I strongly suggest Logan for your consideration. I am available for additional commentary if you wish at 724.589.2081 (office) or 724.854.2424 (cell).

Sincerely,

Douglas R. Hazlett, Ph.D.  
Chair and Professor  
Education Department
